The results of the Rhode Island survey were reported by the bank to its readers in the Summer 1968 issue of their publication as shown below:

CHECK GUARANTEE CARD

pital Trust Card because it eliminates risk, embarrassment and red tape. Also there is no cost to them.

Most individuals carrying the Hospital Trust Card also have a "Personal Line-of-Credit" from \$600 to \$2,400 upon which they can borrow money simply by writing a special check. When cardholders use this feature of their Hospital Trust account, there is no interest charged for money repaid in 25 days and only one percent a month on the unpaid balance beyond 25 days.

Who is Eligible?

In general, anyone, anywhere is eligible to have a Hospital Trust Card if he or she has a record of steady employment with one or more employers and a good history of taking care of his or her financial obligations. You can apply for your Hospital Trust Card in any of our offices. It only takes a jiffy to have your picture taken.

Your Hospital Trust Card is free, and it has many advantages over ordinary charge cards. You will find it convenient to write checks knowing that your check register gives you a continuous, up-to-the-minute record of your spending. Your check register shows you where you stand at any moment.
